

Out Goes All Rheumatic Poison

Rheuma Acts on Kidneys, Liver and Bladder the Very First Day.

Get a bottle of Rheuma today and wear a satisfied smile on your face tomorrow.

It's a remedy that is astonishing the whole country, and it's just as good for gout, sciatica, lumbago and kidney misery as for rheumatism. It drives the poisonous waste from the joints and muscles—that's the secret of Rheuma's success.

But you don't ask us to take our word for it; go to Lee & Osgood Co. or any good druggist and get a bottle, and if it doesn't do as we promise set your money back. It will be waiting for you.

BOOTHS IN CITY FOR

CALL OF CHRISTMAS SPIRIT

The Christmas spirit drive in Norwich is progressing with satisfactory rapidity, but there is a long road to travel yet if Norwich is to equal the standard set during previous years. The committee of which Joseph C. Worth is chairman has sent out the letters containing 100 stamps to the people of Norwich and many of them have returned with the money. This year there will be no canvassing on the streets or in the theatres, although booths have been located at the postoffice, Waukegan hotel, Boston store and Postoffice and Mitchell.

The booths will be conducted by the Campaign Girls during the first four days of this week and those who desire may purchase the stamps at the booths but there will be no canvassing. The young women will assist at the booths with Misses Helen McMillan, Chertilla Smith, Viola Levitsky, Elizabeth Boynton, Dorothy Messier, Elizabeth Durr, Helen Swain, Faith Allen, Helen Tourtellot, Farrell Taylor, Catherine Bunnell, Alberta Boardman, Florence Clifford, Catherine Rushworth, Dorothy Haslam and Charlotte Goss.

Since 1917 the Christmas seal has brought in about \$20,000,000 for organized tuberculosis work. This year's seal campaign will be spread over nearly fifteen years of work and over hundreds of organizations. The Christmas seal supports national, state and local work.

More significant even than the net results from the Christmas seal are the figures indicating the result accomplished with this money. Practically all of the funds are used for educational and organization work. The Christmas seal money is not adequate to support institutions or to care for patients. Funds from the Christmas seal have been used to acquire an organized public opinion to secure hospitals, sanatoria, nurses, health officers, open-air schools, dispensaries, and other agencies supported by public funds and operated through local agencies. The total value of institutions brought into existence largely through the Christmas seal would be in the neighborhood of \$100,000,000 and the annual maintenance cost for such agencies would be between \$20,000,000 and \$40,000,000.

Every Christmas seal dollar has been multiplied many-fold through education and organization.

APPLY SULPHUR ON YOUR ECZEMA SKIN

Costs Little and Overcomes Trouble Almost Over Night

Any breaking out of the skin, even very itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve torment without delay. Sufferers from skin trouble should obtain a small jar of Bowles Mentho-Sulphur from any good druggist and use it like cold cream.
